Respected Sir,

Sub: - Medical Aid requested regarding

I submit that the following particulars regarding my family situations. I belong to a poor family. My husband and three female children are living with me. I have no property income my husband is a Farmer. He is also sick. He is unable to do the work continuously due to osmotic sick. My first daughter is studying 8th Standard; Second daughter in studying 6th Standard and the last daughter are studying 1st Standard.

On these circumstances, my second daughter is suffering from ill health for about seven years. Now on medical checkup, a hole in found in the heart. So, operation is the only way to cure the heart. A lot of money in needed for operation. For him purpose I have no money. Now, she is suffering from chest pain continuously.

Now Tamilnadu government have introduced a scheme called **kalangar Insurance Scheme** form this scheme, one lakh rupees will be sanctioned. For operations and other Medical expenses approximately one lakh and Seventy five thousand should be needed. Rupees 25 thousand collected from various ways the remaining amount will not be able to collect in any other way. In these circumstances my brother Michel Raj called me through phone to contact you to need help.

Hence, I request that due to my daughter operations, you may kindly he help. I always remember in my life time.

Thanking you...

Yours' Faithfully,
Y.Rajam
