

Dear Pr. Alfred & family

Wishing you all, the blessings from heaven above for this 2010.

I am so glad to contact you in this new year too. God has been so faithful and gracious for us to pass through 2009 by His mercies.

CHRISTMAS FUNCTION

On the 20th of December - the Sunday evening at 3.30 pm at Pulampatty village we had a Christmas evening.

Head Master from Gudalur Government School - Mr. Dhanraj was the special guest for the function.

Around 80 men, women & children came together to make the function success.

Mr. Dhanraj gave a speech on Christmas and also he brought an awareness on importance of education in the future. That was a high light of the program as the tribal people were able to realise sending children regularly to school.

It was another opportunity to highlight the work, the founder & the vision of Goodwill Foundation which was briefed in the program.

All the children received some gifts and snacks were served for every one.

15 women and 15 men received a Saree or Lungi for each. They were so happy to receive these gifts.

We took a video and I do not know how to send it to you as I am unable to send it through e mail. I shall try my best to make it reach to you.

News from New York

I am glad the Christmas program went well both at Gudalur and in Rampur. Rampur donations have been sent as usual for the month of December 2009.

I am planning to increase the sponsors to support more children.

Seek your prayers.

Regards

Alfred Thiagarajan.
